Orphaned managed disks (not attached to any VM)

Find managed disks not attached to any VM, with size, SKU and age, so storage waste can be reviewed and cleaned up before it keeps adding cost.

6 items analysed in **1** source · **10** findings · **2** new, **3** resolved since the report of 2026-11-04.

Verdict

Needs attention

1 high, 3 medium, 3 low, 3 info
